

2019 WGM Open the team to modify the information of the members

2019 WGM organize reviewed the team's data, found that the error rate is high (the basic data field is misplaced, the school team name is not unified, the English name is not capitalized., etc.), the organize to reduce the award certification correction after the competition, so open the teams to modify the basic information of the members during July 9th to July 12th. Only the following three pages updates are available (synchronous updates are required if you need to modify them):

Modify

* Name : EX : YANG,TING-YU

* Mobile : +886 999999999

Password : Please use the original password please leave

* Email : steven@mail.gigo.com.tw

* Separate : student
